EXPIERENCE

Textile Technician - Temporary

LOOK54 | Berlin, DE

Jan 2024 - June 2024

- Made sure the quality of the product was more handcraft than mass-produced goods by implementing a quality control system.
- Was responsible for overseeing the inks and chemicals used for screen printing, which included working with suppliers to manage the stock.
- Managed the cleaning of all materials used, by using my extensive knowledge of textile and chemical treatments.
- Produced high volumes of high-quality streetwear for over 3+ retail locations, by printing 80+ garments a day.

Senior 3D Stylist

Wayfair | Boston, MA & Berlin, DE

July 2019 - July 2023

- Synthesized Autodesk 3Ds Max software and Adobe Creative Suites to construct 1,000+ photo realistic interior designs, accelerating project goals by 25%.
- Optimized content libraries and style boards utilized by 20 departments across the company, driving up user engagement by 50%.
- Deployed AI algorithms to render animations & simulations of virtual interior design concepts with 99% accuracy, surpassing expectations by 20%.
- Worked with project managers, merchandisers, and art directors to accomplish a superior interior design vision for the overall company.

Lead Stylist

Straub Collaborative | Boston, MA

Oct 2015 - Oct 2018

- Senior In-studio stylist conducting photo and video shoots each day, either directly with the client or on the client's behalf.
- Worked directly with hair & makeup artists along with the photographer on set to ensure the client's vision was accurately coming to life.
- Styled on mannequin, laydowns, flatshots, and on-model exceeding the daily quota.
- Conducted the onboarding for new studio employees, led workshops for freelance stylists and new team members to educate them on brand guidelines and studio standards, this included a process I developed to get new memebers onboarded at a faster rate.

Stylist + Producer

KB Fashion Productions | Boston, MA

Sept 2013 - July 2019

- Worked as an assistant producer & stylist who was recognized for consistently outstanding preparation and production.
- Aided in the production of 65+ fashion shows over 6 years.
- Presented workshops and onboarded new trainees & college interns on photo studio styling, the business and marketing of styling, and industry-specific techniques.

Stylist

FashionProject.com | Boston, MA

March 2013 - Aug 2015

- In-studio stylist styling on-mannequin product photography for the website.
- Worked as photo retoucher part-time for the company since it was a startup & short staffed.
- Worked with the entire production team to create a new efficient process spanning the acceptance of donations, preparation, & reception on set through execution & production.
